FROM SPECTATOR TO CHAMPION

A personal journey, backed by proven results

WHAT IS TIME ATTACK?

A competitive motorsport championship where drivers battle against the clock to set the fastest lap.
Events combine circuit racing and automotive shows.

THE DB RACING STORY

In 2006, I watched Time Attack at Oulton Park and dreamed of competing. In 2023, I made my debut at the same circuit, finishing second in class.
In 2024 and 2025, I won back-to-back Clubman titles.
